### Sponsor/Donor Request

Temecula Youth Baseball is part of PONY Baseball Association (“Protect Our Nations Youth”). TYB seeks to provide a youth baseball league that will help young people grow into healthier and happier adults and to teach baseball to the youth of our community, keeping in mind the ideals of good sportsmanship, honesty, loyalty, and courage. The attainment of exceptional skill or the winning of games shall be secondary to the primary goal of molding ethical individuals.

Every season, we invite local businesses to sponsor our local youth baseball league. Sponsorship is not only a great way to get involved with the community; it’s also an amazing form of marketing for your business. Your business will have branding in front of thousands of people who will remember your contribution to the community. Our goal is to make youth baseball accessible to all families and sponsorships are crucial for subsidizing the cost of uniforms, equipment, field maintenance, trained umpires, and more.

We understand that you have several choices when considering different marketing and community outreach opportunities, but we truly believe that this is a great fit. If you want something a little more customized in return for your sponsorship, we are very open to your ideas.

We thank you for your continued support. You are making Temecula a better place to live.
